## FUNDS AVAILABILITY POLICY DISCLOSURE

This disclosure describes your ability to withdraw funds at Kohler Credit Union. It only applies to the availability of funds in your transaction accounts (e.g., checking accounts). We reserve the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those outlined in this disclosure. Please ask us if you have a question about which accounts are affected by our availability policy.

For purposes of this disclosure, the terms "you" or "your" mean the member, and the terms "our," "we," or "us" mean Kohler Credit Union. The term "check" means check or share draft, as applicable.

**1. YOUR ABILITY TO WITHDRAW FUNDS** – Our policy is to make funds from your cash and check or draft deposits available to you on the same business day that we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash, and we will use the funds to pay checks or drafts that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays.

If you make a deposit before close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the close of business or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Our business hours are available at the Credit Union. Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks and drafts you deposit that are returned to us unpaid and for any problems involving your deposit.

**2. LONGER DELAYS MAY APPLY** – In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Depending on the type of check you deposit, funds may not be available until the second business day after the day of your deposit. The first \$275.00 of your deposits, however, may be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will send you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit may be delayed for a longer period under the following circumstances:

- We believe a check or draft you deposit will not be paid.
- You deposit checks or drafts totaling more than \$6,725.00 on any one day.
- You redeposit a check or draft that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

**3. SPECIAL RULES FOR NEW ACCOUNTS** – If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks or drafts will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks or drafts must be payable to you. The excess over \$6,725.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks or drafts (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,725.00 will not be available until the second business day after the day of your deposit. Funds from all other check or draft deposits will be available on the ninth business day after the day of your deposit.

**4. HOLDS ON OTHER FUNDS FOR CHECK CASHING** – If we cash a check or draft for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check or draft we cashed would have been available if you had deposited it.

**5. HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT** – If we accept for deposit a check or draft that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

**6. DEPOSITS AT PROPRIETARY AUTOMATED TELLER MACHINES (ATMs)** – Funds from deposits (cash or checks) made at an ATM that we own or operate will be available by the second business day after the day of your deposit. However, the first \$275.00 of the deposit, funds from checks drawn on Kohler Credit Union and deposited at an ATM located at one of our branch offices, and funds from U.S. Treasury checks that are payable to you will be available on the first business day following the day we receive your deposit. All ATMs that we own or operate are identified as our machines.

**7. FOREIGN CHECKS** – Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institution upon which it is drawn.
